**CSR SUSTAINABILITY**

## PLANTATION DRIVE

### Near Fatehgarh Pond Area

On 5th July 2025 a plantation program was organized in Fatehgarh village where a total of 150 saplings were planted. The event was marked by the enthusiastic participation of the village Sarpanch, local residents, and several dignitaries from the factory. All the attendees, including factory officials and villagers, participated in planting the saplings. The event created a strong sense of community and responsibility among the people toward nature and environmental conservation. The plantation drive was not only an environmental initiative but also a moment of unity and awareness for the people of Fatehgarh. It was encouraging to see both officials and villagers work hand in hand for a greener and healthier future.

## Water Cooler Inauguration at Khera Ghanni

As part of its CSR efforts, Parijat Industries Ltd., in collaboration with Anand Foundation, inaugurated a water cooler in Khera Ghanni. This initiative ensures the availability of clean and cool drinking water for the local community. It represents a small yet significant step towards improving public health and hygiene, especially in rural areas, and demonstrates a continued commitment to community welfare..
